

Memorandum of Understanding between Eötvös József Collegium and Anton Neuwirth Collegium

I.

ELTE Eötvös József Collegium, Budapest and Anton Neuwirth Collegium (hereafter referred to as Institutions) agree to develop and implement a programme of cooperation in education and research in the fields of humanities and sciences to include the following:

- the mutual visits of the Institutions,
- the sharing of information and publications,
- the joint participation in research, development and associated conferences.

II.

Each item of cooperation is to be discussed and agreed upon in advance, which will determine the details and conditions for a plan of action.

III.

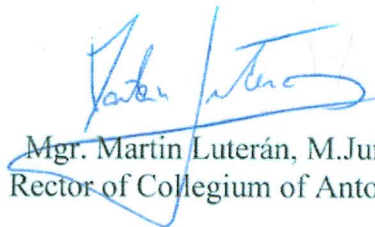

This Memorandum of Understanding will go into effect upon the signing of the document by the authorised representatives and is valid until rescinded, which action can be taken by either party.

IV.

This Memorandum of Understanding is prepared in two original copies in English.
